

## Coronavirus (COVID-19)

### INFORMATION SHEET PRIOR TO APPOINTMENT

As covid measures ease, we at Positive Steps Physiotherapy must continue to consider the safe management of patients, the public and ourselves.

We continue to offer a virtual service via zoom. If you would like more information about the service, then please let me know.

**If you or any of your household show any symptoms of covid 19 prior to your appointment, please cancel your appointment and follow government advice.**

This information sheet is to advise you of what to expect during a visit, whether it is as the clinic or at home.

#### Home Visit

- On arrival, your physiotherapist will be wearing mask.
- When working closely, your physiotherapist will wear gloves and apron.
- Client mask wearing is optional.
- Consider where in your house is most suitable to carry out an assessment/treatment session.

#### In Clinic

- If you arrive early at your appointment, please wait in the waiting area.
- Hand gel will be available for you to use.
- Your physiotherapist will be wearing a mask throughout your appointment.
- Client mask wearing is optional.
- When working closely, your physiotherapist will wear gloves and apron.

#### Things that happen but you won't see;

- I will wipe all surfaces/ equipment in between patients
- I will wash all my uniforms each day
- I will continually monitor the advice from the government and implement any changes.

Any queries please let me know. Erin
